Alexander Hamminger · Germany

Attorney · Tax Adviser

Experience

Alexander enjoys advising his clients on all aspects of German and international company, commercial and contract law, including the relevant tax aspects. He provides his clients with pragmatic and solution-led advice. With over 20 years of professional experience he is specialised in providing comprehensive advice to clients.

In addition to his consulting work, Alexander regularly publishes legal contributions, in particular on corporate law.

Sector experience

Alexander has a special knowledge in the following markets:

- Company, commercial and contract law
- Inheritance law and inheritance tax law
- Corporate succession and company sales
- Occupational pension provision
- Start-up advice

Qualifications

Alexander is a certified German attorney and tax adviser. He joined the international tax department of Treuhand in 2016. Previously he worked for two other medium-sized German auditing firms.

Alexander is a member of the German bar association.

Alexander likes running, motorbiking and cocking.
